

the
greater IBM
connection

Join the worldwide IBM community

- The Greater IBM Connection brings together current and former IBMers from around the world to share ideas and mingle with friends and colleagues.
- It's a place where every individual is accepted as an IBMer for life.

Once an IBMer Always an IBMer

- Anyone who has ever worked at IBM is encouraged to join The Greater IBM Connection.
- Members get together at local events and in online blogs, wikis, and webinars.

Connecting is fun

- The Greater IBM Connection is a forum of ideas and collaboration, where all Greater IBMers can advance their careers, business ventures and personal interests.
- It is a place to socialize and make contacts with a community of trusted colleagues.

We're on a mission

The Greater IBM Connection is defined by three pursuits:

- **Innovation** – Greater IBMers tap into the latest ideas and strategies from past and present IBM thought leaders.
- **Celebration** – Making the connection between Greater IBMers in person and online. Perpetuating the IBM life.
- **Collaboration** – Sharing one of the world's great talent pools to facilitate new products, business ventures and career development.
